Poster Presentation: Growth Monitoring and Promotion to Prevent Malnutrition Among HIV Exposed Infants

Resource type:

Poster Presentations

Publication date:

October 2015

Published by:

USAID/SUSTAIN

Sequence number:

43

The SUSTAIN project was invited to give three poster presentations at the end of October at the first ever National Forum on the State of the Ugandan Child. This poster explains the impact of growth monitoring and promotion of breastfeeding and nutrition on HIV-exposed infants across the project catchment area.
