Improving chronic care enrollment for HIV-positive pregnant women

Resource type:

Publications

Publication date:

June, 2012

Published by:

SUSTAIN

Sequence number:

04

?It?s a great honor and a privilege [to be escorted]. You know the nurse. You have someone to talk to as you are seen at the clinic.

Your fears of being HIV-positive are calmed down. You get the confidence and strength to move on despite being positive.?
